Operations Consultant ♦ Trainer ♦ Game Changer

Motivating, Educating & Cultivating Excellence

Tonya Harrison offers over twenty years of leadership and operations experience along with several years of training and development. With a passion for helping others excel and realize their true potential, she's able to provide workshops and trainings that are informative, engaging and relevant. Tonya assists small businesses in building a solid foundation through the development of processes and systems to enhance efficiencies, increase productivity and consistently deliver a first-class customer experience.

As founder of Cignal Partners, Tonya provides her clients with REAL solutions and strategies to be implemented immediately. Her mission is to foster excellence and professional transcendence through the sharing of knowledge.

## Key Topics and Workshops

### Leadership

*Developing leaders is critical to the success of your business. Learn the keys to building a solid foundation that'll sustain your leaders at any level.*

### Precision Planning for Teams

*One of the reasons strategic plans aren't effective is due to lack of communication. Within the Precision Planning for Teams program, I work with individual leaders and teams to breakdown the overall strategic plan into actionable steps that are applicable to the team.*

## Other Topics and Expertise

- ***Leading Outloud But Not Alone (Building Your Dream Team)***
- ***Clear Path Operations Management***
- ***Delivering Excellence One Customer at a Time (Business Etiquette)***
